Water Payment Auto Drafts

Wichita Valley Water Service Corporation now offers Payment Auto Drafts. This could be a benefit to you insuring that your water payments will be made on time and eliminate the task of writing a check and mailing it or trying to find the time to drop it off. This could also help you establish a good payment history.

If you are interested in signing up for the Auto Draft please complete the following information and return it for processing.

Please complete this section to authorize transfers between your bank and State National Bank of Texas. Please attach a voided, unsigned check from the bank you will be using for the transfers.

As a convenience to me, I request and authorize debits from the above-referenced bank account in conjunction with options selected. This authority is to remain in effect until revoked by me and, until you receive such notice. I agree you shall be fully protected in honoring any such transaction. Additionally, I authorize correcting debit entries to my account in the event the item is dishonored. I understand it is still my responsibility to know how much my bill and draft will be. I understand that Wichita Valley Water is NOT responsible if I do not receive added benefits or interest on my account in the event the draft does not take place. I further agree that if any such entry be dishonored, whether with or without cause and whether intentionally or inadvertently, you shall be under no liability whatsoever. I also understand the Wichita Valley Water Service Corporation may make additional attempts to debit my account if the initial attempt fails and that I will be liable for any associated costs.
